The Budget Estimates of the Municipalities in the Tumkur District for the year 1890—91.

Dockets from the Deputy Commissioner, Tumkur District, dated 24th March and 10th May 1890, Nos 563 and 59 respectively, regarding charge allowance to Hospital Assistants attached to the Local Fund Dispensaries.

No. 3370-80—CIR. 57, DATED 18TH JUNE 1890.

ORDER THEREON.—The Government resolve to review the Budgets of the several Municipalities of the Tumkur District for the year 1890—91.

Tumkur.

2. The receipts of this Municipality are estimated at Rs. 6,772 against Rs. 8,139, the actuals of 1888—89 as shown in the margin.

Items.	Details.	Actuals of 1888—89.	Estimat for 1890—91.
I	Octroi	2,503	2,000
II	Tax on houses	2,155	1,800
VII	Mohatarfa	1,351	1,600
VIII	Rents	120	140
IX	Fines	..	20
X	Miscellaneous	2,010	1,212
	Total.....	8,139	6,772

3. *I Octroi.*—The decrease under this head is chiefly in cloths. It is stated that the estimate is based on the probable collections of 1889—90, but no reason is given for the anticipated falling off in the collections of that year. The omission should be supplied. Meanwhile the estimate will be retained.

4. *II Tax on houses.*—The actuals of 1888—89 are stated to include the arrears of the previous years, while the current year's estimate does not include similar outstandings. Hence the decrease under the head. The estimate is passed.

5. *VII Mohatarfa* —The increase is chiefly in (*a*) Shop tax. It is explained that the estimate for 1889—90 which is the same as that proposed for 1890—91 included arrears not collected, but how this explains the increase compared with the actuals of 1888—89 is not clear. Clearer explanation should be furnished. Meanwhile the estimate will be allowed to stand.

6 *IX Fines.*—The estimate of Rs. 20 under this head is the same as that sanctioned for 1889—90. It is passed.

7. *X Miscellaneous.*—The decrease under this head is chiefly in "(*a*) Sale of house sites," "(*d*) Pounds" and "(*m*) Contributions." The decrease in (*a*) is due to the less number of house sites available for sale during 1890—91, and that under (*d*) is not explained. The decrease under (*m*) is stated to be owing to the actuals of 1888—89 having included contributions received from the Public Works Department for 2 years on account of the maintenance of the Provincial roads lying within the Municipal limits; but it is not explained whether

		Actuals of 1888—89.	Estimate for 1890—91.

the estmate for 1890—91, which is the same as that sanctioned for 1889—90 includes the maintenance allowance of the District Fund roads recently transferred to the District Head-quarter Municipalities under Public Works Department Circular, dated 20th December 1889, No. 97—98. If it does not include, the estimate will have to be revised. The Deputy Commissioner is requested to explain the matter. Meanwhile the estimate will be allowed to stand.

8. Including the opening balance of Rs 1,078, the sum available for expenditure during 1890—91 is Rs. 8,750, of which Rs. 7,050 are proposed to be expended, leaving a balance of Rs. 1,700 at the end of the year.

Items.	Details.	Actuals of 1888—89.	Estimate for 1889—90.	Estimate for 1890—91
II	Head Office	279	279	339
III	Collection	.	90	90
IV	Conservancy	1,522	1,674	1,788
V	Police	1,654	1,686	1,686
VII	Lighting	397	500	450
VIII	Public Works	3,350	3,839	2,155
IX	Charitable Grants ...	116	110	140
XI	Miscellaneous	289	500	402
	Total	7,607	8,708	7,050

9. *II Head Office.*—The increase under this head is due to the increased rate of pay from Rs. 20 to 25 proposed to be given to the Municipal Overseer in consideration of his approved service for a period of 4 years, and the additional work devolving on him in connection with the maintenance of the Local Fund roads recently transferred to the District Head-quarter Municipalities The estimate will be allowed to stand, but before sanctioning the increase of pay proposed to the Overseer, the Deputy Commissioner will be requested to state the lengths of the District Fund roads, which have to be maintained, and the additional work involved thereby. It should be also stated whether the contribution for the maintenance of the roads mentioned above is sufficient to cover the cost of the maintenance and the increase of pay proposed.

10. *III Collection (a) Octroi.*—The provision on account of Octroi collection is the same as that estimated for 1889—90, and includes the pay of the Mutsaddi proposed to be employed last year for the collection of the duty. In passing the Budget of 1889—90, the Government * called upon the the Deputy Commissioner to explain, when submitting the Budget for 1890—91, why the services of a Mutsaddi became necessary and how the collections in the previous years were made. This explanation should be furnished when orders will be issued. Meanwhile the estimate will be retained.

* Government Proceedings, dated 19th April 1890, No. 306-7—12.

11. *IV Conservancy.*—Under this head, the sanctioned estimate for 1889—90 was Rs. 1,674. During 1890—91, it is proposed to increase the pay of 7 of the existing sweepers from Rs. 4 to 5 each, and of 5 others from Rs. 4½ to Rs. 5 each, involving an additional expenditure of Rs. 114, as the Municipality cannot secure the services of competent men for less salary. The estimate is approved.

12. *VII Lighting.*—The details of charges provided under this head are as shown in the margin. The estimate is fair and is allowed to stand.

15. *XI Miscellaneous.*—The increase under this head compared with the actuals of 1888—89 is chiefly in (*h*) Other items, which is owing to the employment of men for watering and planting trees, sanctioned in 1889—90. The estimate is passed.

16. The income of this Municipality is estimated at Rs. 376 against Rs. 360, the actuals of 1888—89. The estimate is fair and calls for no remark.

6. A provision of Rs. 120 is proposed to be entered to meet the cost of a dug out boat supplied for the use of the inhabitants of the Santapura village. This is in accordance with para IX of the Local Fund Board's Proceedings, dated 19th November 1889, and is passed.

7. A sum of Rs. 240 is newly entered under VI Local Fund Dispensaries on account of the travelling allowance of Hospital Assistants in charge of Local Fund Dispensaries. The Deputy Commissioner is requested to state whether this represents the total amount of the travelling charges or only the portion chargeable to District Funds, after deducting the amount debitable to Municipalities. In the former case the amount debitable to District Funds should be stated. The Government observe that no provision appears under this head in the Budgets of the Municipalities concerned. The omission should be explained and a supplemental Budget forwarded if necessary.

8. As in the past year, a sum of Rs. 120 is entered on account of $\frac{2}{3}$rds cost of Malnad allowance to the Hospital Assistant in charge of the Local Fund Dispensary at Saklespur, while under Proceedings, dated 6th December 1889, No. 7180-90—164, a charge allowance of Rs. 20 to the Hospital Assistant at Saklespur and of Rs. 10 to each of the Hospital Assistants of the other Local Fund Dispensaries should have been provided, in lieu of the existing Malnad allowance. The provision under Malnad allowance will therefore be struck out and a charge allowance of Rs. 600 inserted instead as noted in the margin.

10. The other items call for no remark.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Financial),—dated 18th June 1890.

Out of the above balance, the following works are proposed to be carried on by the Public Works Department :—

The Deputy Commissioner does not state the authority under which Rs. 30,000 are to be granted from the Local Funds General, but even assuming that the grant has been or will be sanctioned, the estimate is in excess of the sum available for expenditure by Rs. 6,433. The Deputy Commissioner is therefore requested to place himself in communication with the Executive Engineer and submit a reduced estimate, so that there may be a working balance of at least Rs. 3,568. Ordinarily the expenditure of a year ought not to exceed the receipts of the year. It should be explained how and on what authority Item III, which bears the high percentage of 23·95 on the estimated cost of works, has been calculated.

READ —

Letter from the Deputy Commissioner, Chitaldroog District, dated 13th February 1890, No. 466—428, submitting the Budget Estimates of the several Municipalities of the Chitaldroog District for the year 1890—91.

No. 3091-102—CIR. 51, DATED 20TH JUNE 1890.

ORDER THEREON.—The income of this Municipality is estimated at Rs. 4,804 against Rs. 4,848, the actuals of 1888—89.

Items.	Receipts.	Actuals of 1888—89.	Estimate for 1890—91.
I	Octroi	1,946	2,100
II	Tax on houses	1,153	1,150
VII	Mohatarfa	781	840
VIII	Rents	185	174
IX	Fines	47	5
X	Miscellaneous	736	535
	Total. ...	4,848	4,804

2. *I Octroi.*—The increase under this head is chiefly in "Sheep and goats" which have been recently brought under taxation in accordance with the Proceedings of Government, dated 10th September 1889, No. 4647-8—106.

3. *II Tax on houses.*—The decrease under this head is small and calls for no remark.

4. *VII Mohatarfa.*—The bulk of the increase under this head is in "Shops" which are stated to be increasing. The estimate is passed.

5 *VIII Rents.*—The estimate under this head shows a decrease of Rs. 35 under Gardens and an increase of Rs. 24 under Houses. The decrease under Gardens is stated to be due to the diminution in the supply of water as the tank has been reserved for the use of the inhabitants. The provision under Houses is a new item. A mantapam belonging to the Municipality is proposed to be rented out during 1890—91. The estimate is approved.

6. X *Miscellaneous.*—The decrease under this head is chiefly in the marginally noted items. The actuals under (*k*) Amarayi included the arrears of previous years, no such outstandings being included in the current year's estimate. Under "(*n*) Other items" no estimate is entered for 1890—91. The amount (Rs. 87) under actuals of 1888—89 represents the unusual realizations obtained from the sale of fort stones. The decrease under "Water cess" is due to the item having been transferred to Provincial under Proceedings, dated 5th July 1889, No. 2595-605—65. The estimate is passed.

	Decrease.
(1) (*k*) Amarayi	87
(2) (*n*) Other items	87
(3) Water cess levied for the use of ditch water	54
	178

7. Including the opening balance of Rs. 2,558, the sum available for expenditure during 1890—91 is Rs. 7,362, of which Rs. 3,974 and not Rs 4,174 as erroneously entered in Statement No 1 are proposed to be expended, leaving a balance of Rs. 3,388 at the end of the year

Items.	Expenditure	Actuals of 1888—89.	Estimate for 1889—90	Estimate for 1890—91.

XI	Miscellaneous	236	282	232
	Total	3,694	4,000	3,974

8. *VII Lighting.*—There is an increase of Rs. 54 under this head. It is explained that "the existing rate of 10¼ annas per lamp per month being low, the rate of 12 annas is adopted." The explanation is not clear. It should be stated how it was hitherto possible to have the lighting at a cost of 10¼ annas and why the increase has become necessary. Pending explanation, the estimate will be allowed to stand.

9. *VIII Public Works*—The estimate under this head, consisting of the works noted in the margin, is approved. There is still a large amount of balance available for expenditure, but it is stated to be reserved for carrying out the water supply project said to be under preparation by the Executive Engineer.

10. The receipts of this Municipality for 1890—91 are estimated at Rs. 3,670 against Rs. 4,841, the actuals of 1888—89.

Items.	Receipts.	Actuals of 1888—89.	Estimate for 1890—98

VII	Mohataria	1,046	900
X	Miscellaneous	1,241	870
	Total.....	4,841	3,670

11. *I Octroi.*—The large decrease under this head is not properly explained. The probable collections of 1889—90 are stated to be Rs. 800 and the present estimate is even lower than that sum. The Deputy Commissioner is requested to explain the cause of the decreased estimate. Meanwhile the estimate for 1889—90 will be repeated for 1890—91.

12. *II Tax on houses.*—The decrease under this head has not been explained; but the difference is small. The estimate will be passed.

13. *VII Mohatarfa.*—The decrease under this head is chiefly in the items noted in the margin. The decrease in the first two items is not explained and that under the 3rd item is stated to be due to the decrease in the number of mills in consequence of the large exportation of oil-seeds instead of oil to Her Majesty's Territories. The estimate is passed.

		Decrease. Rs.
1.	Shop tax ...	30
2	Cart tax ...	58
3.	Oil-mills ...	57
		145

14. *X. Miscellaneous.*—The decrease under this head is chiefly in "(*m*) Contribution" for the maintenance of the Town Police. In 1888—89 Rs. 806 were contributed by the people, while for 1890—91 only Rs. 400 have to be contributed by them, according to the arrangement entered into. The estimate is passed.

15. The estimate as now sanctioned amounts to Rs. 3,870. Including the opening balance of Rs. 4,314, the sum available for expenditure during 1890—91 is Rs. 8,184, of which Rs. 6,712 and not Rs. 6,695 as erroneously entered in Statement No. I are proposed to be expended, leaving a balance of Rs. 1,472 at the end of the year.

Items.	Expenditure.	Actuals of 1888—89.	Estimate for 1889—90.	Estimate for 1890—91.

16. *IV Conservancy.*—The sanctioned charges for 1889—90 amounted to Rs. 1,092. During the current year, it is proposed to entertain 4 additional sweepers at Rs. 4 each involving an increase of Rs. 192 over the sanctioned scale. The proposed entertainment of 4 additional sweepers is sanctioned and the estimate approved.

17. *VIII Public Works.*—The details of works provided under this head are shown in the margin. The estimate is passed.

(*m*)	Compensation for houses to straighten the roads	500
(*n*)	Repairing the English School ...	120
(*o*)	Reserve	100
	Total.:.	3,600

18. *IX Charitable Grants.*—Under this head, a sum of Rs. 40 over the grant for 1889—90 is provided on account of the charge allowance to the Hospital Assistant sanctioned in Proceedings dated 6th December 1889, No. 7180-90—164. The estimate is approved.

19 *XI Miscellaneous.*—The increase under this head is chiefly due to the provision of Rs. 90 newly made on account of a garden which the Municipality has recently taken under its management. It is not explained to whom the garden originally belonged; how it was hitherto maintained and how it is likely to be use-

ful to the Municipality. This should be now explained. As a rule gardens should be taken up or planted for the convenience of the public and not for the purposes of investment. The estimate is passed.

20. It is noted that the total of actual expenditure during 1888—89 as per details entered in Statement No. I amounts to Rs. 2,545 and not Rs. 2,515 as entered therein. Such mistakes should be guarded against in future.

Harihar.

21. The receipts of this Municipality for 1890—91 are estimated at Rs. 2,494 against Rs. 2,186, the actuals of 1888—89.

Items.	Receipts.	Actuals of 1888—89.	Estimate for 1890—91.

VII	Mohatarfa	829	850
X	Miscellaneous ...	689	923
	Total	2,186	2,494

22. *I Octroi*.—The increase under this head is stated to be due to the growing trade in the Town in consequence of the railway communication it now commands. The estimate is passed.

23. *X Miscellaneous*.—The bulk of the increase under this head is due to the provision of Rs. 500 under (*m*) Contribution on account of the maintenance of the Police, while in 1888—89 only Rs. 345 were contributed. The estimate is passed.

24. Including the opening balance of Rs. 3,612, the sum available for expenditure during 1890—91 is Rs. 6,106, of which Rs. 3,150 are proposed to be expended, leaving a balance of Rs. 2,956 at the end of the year.

X	Education	246	252	310
XI	Miscellaneous	20	60	60
	Total.....	1,860	2,716	3,150

25. *V Police*.—The small increase under this head is due to the provision of Rs. 12 newly made for supplying oil to the Town Police Station. The estimate is passed.

26. *VII Lighting*.—The sanctioned estimate for last year was Rs. 120 to meet the cost of lighting 20 lamps and not Rs. 190 as entered in Statement No. 1.

During 1890—91 it is proposed to purchase 5 more lamps at a cost of Rs. 21 and to provide for their lighting also. The increased provision will accordingly be sanctioned.

27. *VIII Public Works.*—The details of the provision made for works are shown in the margin. As regards the item of Rs. 50 entered against "(*n*) Educational repairs", the Deputy Commissioner is requested to state whether the school building proposed to be repaired is the Taluk Vernacular School or the Municipal English School. In the former case, the charge is debitable to Provincial Educational Funds and not to Municipal Funds under Proceedings, dated 28th August 1889, No. 4186-7—440. The estimate will be retained, pending the receipt of the information called for.

		Rs.
(*c*)	Repairing roads ...	455
(*d*)	Constructing drains ...	150
(*k*)	Providing dust bins ...	40
(*m*)	Compensation	52
(*n*)	Educational repairs ...	50
(*o*)	Reserve	60
	Total.....807	

28. *IX Charitable Grants.*—The increase under this head is due to the provision newly made on account of the Municipal share of the charge allowance sanctioned to the Hospital Assistant attached to the Local Dispensary in Proceedings, dated 6th December 1889, No. 7180-90—164, and to the provision of Rs. 206 under Furniture against Rs. 70 sanctioned for 1889—90. As regards the latter, the Government observe that the provision made is for the full cost of furniture sanctioned in Proceedings, dated 1st May 1890, No. 855-7—18, while only one-third of it is debitable to the Municipal Funds under Proceedings, dated 17th October 1889, No. 5594-8—136. The estimate will therefore be reduced by Rs. 137.

29. *X Education.*—The sanctioned scale of establishment and contingencies of the English School amounts to Rs. 252. The Municipal Board proposes to raise the pay of the Assistant Master from Rs. 8 to 10 and to purchase additional furniture at a cost of Rs. 40. The estimate will be retained; but the increase of pay to the Assistant Master requires the sanction of Government in the Educational Department, for which application should be made.

30. It is observed that the total expenditure shown under the estimate for 1890—91 amounts to Rs. 3,150 and not Rs. 3,506 as entered in the Budget Statement No. I. Such mistakes should be guarded against in future.

Hiriyur.

31. The estimated receipts of this Municipality amount to Rs. 750 against Rs. 744 and not Rs. 774 as entered in Statement No. I, the actuals of 1888—89. The estimate is fair and is passed.

36. *XI Miscellaneous*.—A small sum of Rs. 5 is newly provided in the current year's budget on account of disinfectants required when cholera breaks out in the Town. The estimate is approved.

Hosdurga.

37. The estimated income of this Municipality for 1890—91 is entered as Rs. 870 against Rs 855 the actuals of 1888—89. The estimate is fair and is passed. The estimate under *I. Octroi* is based on the probable collections of 1889—90.

39. *IV Conservancy.*—In 1889—90 provision was made for the purchase of a wheel barrow at a cost of Rs. 18, no similar charge being proposed for the current year. Hence the decrease under the head, compared with the past year's estimate. The estimate is sanctioned.

40. *VIII Public Works.*—The estimate under this head consisting of the works detailed in the margin is approved. The figure entered under sanctioned estimate for 1889—90 is wrong. It ought to be Rs. 300 and not 330.

The Government note that no provision is made for the Municipal portion of the house rent of the Dispensary, for which Rs. 10 are provided in the District Fund Budget. A provision of Rs. 4 will be made on that account and the estimate raised to Rs. 168.

50. *VIII Public Works.*—A sum of Rs. 50 is provided under (o) Reserve to meet any unforeseen expenditure, besides Rs. 40 for the maintenance of the existing roads and drains. The reserve is a great deal too much and will be reduced to Rs. 10.

51. *IX Charitable Grants.*—The provision made under this head consists of the following items :—

(1) Contribution towards the pay of Midwife Rs. 24.

(2) $\frac{1}{3}$ cost of charge allowance to Hospital Assistant 40.

No portion of the cost of Local Fund Dispensary is at present debited to the Municipal Funds of the Town, the entire cost being met from District Funds and Provincial revenues in the proportions of $\frac{2}{3}$ and $\frac{1}{3}$ respectively. The charge allowance of the Hospital Assistant should therefore be borne in the same proportions by District and Provincial Funds. The Municipality need bear no charge and the provision of Rs. 40 will therefore be struck out.

52. The other items call for no remark.

Jagalur.

53. The income of this Municipality for 1890—91 is estimated at Rs. 655 against Rs. 767 the actuals of 1888—89.

	Total.....	767	655

54. *X Miscellaneous.*—The decrease, which is entirely under this head, is chiefly in "(a) Sale of houses and lands" and is stated to be due to the fluctuating character of the item. What is meant is probably that there is not much demand for house sites. The estimate is passed.

55. Including the opening balance of Rs 698, the sum available for expenditure during 1890—91 is Rs. 1,353, of which Rs. 1,180 are proposed to be expended, leaving a balance of Rs 173 at the end of the year.

56. *IV Conservancy.*—The estimate sanctioned for 1889—90 amounted to Rs 288. During the current year it is proposed to purchase a new cart at Rs. 30, which accounts for the increased provision. The estimate is approved.

57. *VII Lighting.*—Under this head, a sum of Rs. 86 is provided to meet the cost of lighting 6 lamps at 14¼ annas each. At this rate, the cost amounts to Rs. 64½ only; and it is not stated for what purpose the balance is required. The omission should be supplied. Meanwhile the estimate will not be disturbed.

63. *VI Rents.*—The omission of any estimate under (*b*) Gardens is explained to be due to t Municipal Garden having been given up owing to the unsuitability of the site. The estimate is passed.

64. Including the opening balance of Rs. 1,260, the sum available for expenditure during 1890—91 is Rs. 2,120, of which Rs. 1,446 are proposed to be expended, leaving a balance of Rs. 674 at the end of the year.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Financial),—dated 28th June 1890.

2. Letter from the Deputy Commissioner, Chitaldroog District, furnishing information called for in regard to the District Fund Budget of the Chitaldroog District for 1890—91.

No. 3174-83—Cir. 52, DATED 28TH JUNE 1890.

ORDER THEREON.—The Government observe that the 76 per cent of the one anna cess estimated for 1890—91, *i. e.*, Rs. 34,685 represents the total cess collected including the amount that has to be credited to the Local Funds General. This is not correct. The estimate should include only the sum which is credited to District Funds. Moreover the one anna cess has been calculated on the estimated collections of Land Revenue which is not also correct. The one anna cess in the case of Inams is leviable on their *valuation* and not on the quit-rents charged on them which alone appear under Land Revenue collections. The Deputy Commissioner is therefore requested to submit a revised estimate calculated with reference to the estimated jamabandi for 1890—91.

2. There is no connection between the figure given by the Comptroller as balance and that adopted in the Government Proceedings read above. The former is the balance which was outstanding on the 16th January 1890, while the latter is the probable balance on the 1st April 1890. The Comptroller will however be requested to submit a statement showing the actual balance in favor of the District Funds on 1st April 1890 in each District.

3. The Comptroller is also requested to submit a statement showing the actual balance of the Local Funds General on 1st April 1890 and the probable receipts and expenditure during 1890—91 in each District.

4. The explanation given by the Examiner of Public Works Accounts in his Memo to the Deputy Commissioner, dated 12th July 1888, No. 119—1858, in regard to the distribution of establishment charges is not clear. If the cost of establishment is rateably distributed on the charges actually incurred on Public Works in the whole Province, it is not understood how different rates came to be adopted for different Districts. The Examiner of Public Works Accounts will be requested to explain the matter fully.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Financial),—dated 29th June 1890.

READ:—

Dockets from the Deputy Commissioner, Shimoga District, dated 17th December 1889 and 8th January 1890, Nos. 563—521 and 592—548, respectively.

No. 8734-8— 263, DATED 1ST FEBRUARY 1890.

ORDER THEREON.—With the above the Deputy Commissioner submits the District Fund Budget Estimates for 1890—91.

2. The District Fund receipts for the year 1890—91 are estimated at Rs. 83,949 against Rs. 1,05,000, the estimate for 1889—90. This large decrease has not been explained. The Deputy Commissioner is requested to state the actuals of 1888—89 under each item of receipts and also give the details of the assets upon which 76 per cent of the one anna cess has been calculated. The assets should correspond with the figures entered under Land Revenue in the Civil Budget for 1890—91.

3. Under Local Funds General, the balance at the beginning and end of the current official year should be stated together with the estimated receipts and expenditure during 1890—91.

4. The estimated Civil charges for 1890—91 amount to Rs. 6,385 and not Rs. 6,193 as entered in the statement of Civil charges, against Rs. 6,349, the estimate for 1889—90 as shown below:—

	Items.	Estimates.	
		1889—90.	1890—91.
I	District Office Establishment	240	240
II	One-fourth share of Taluk contingencies	609	609
III	Medical scholarships	610	610
IV	Peon to Deputy Inspector of Vaccination	95	95
V	Sweepers for Travellers' Bungalows and Musafirkhanas	1,404	1,440
VI	Local Fund Dispensaries—		
	(*a*) Menial Establishment and contingencies	1,700	1,700
	(*b*) House rent for Dispensaries	124	124
	(*c*) Travelling allowance to Hospital Assistants	155	155
	(*d*) Diet to in-patients in Local Fund Dispensaries	200	200
	(*e*) Furniture to Local Fund Dispensary at Kumsi	192	192
	(*f*) Mahad aollwance to Hospital Assistants	620	620
VII	Reserve for unforeseen expenditure	400	400
	Total.....	6,349	6,385

5. As no portion of the Taluk contingencies is now debited to District Funds the item II will be struck out.

6. Under III. Medical scholarships, a sum of Rs. 610 only is provided while under Proceedings dated 24th December 1889, No. 5832-43—149, Rs. 660 should have been entered. The latter figure will now be inserted.

7. The increase under V. "Sweepers for travellers' Bungalows and Musafirkhanas" is due to the provision made for the increased rate of pay from Rs 3 to 4 per mensem proposed to be given to the sweeper at the Saulanga Musafirkhana and for the entertainment of a sweeper on Rs. 2 per mensem to the Musafirkhana at Godikoppa in Sagar Taluk. This is in accordance with the Local Fund Board's proposals contained in paras 3 and 4 of their Proceedings dated 4th December 1889 received with the Deputy Commissioner's docket read above and the estimate will therefore be passed.

8. The provision of Rs. 200 for feeding in-patients in Local Fund Dispensaries is in accordance with the Proceedings of Government, dated 18th October 1889, No. 5640-9—137, and is accordingly allowed to stand.

9. Under VI (*c*) Furniture, the current year's provision of Rs. 192 is repeated to meet the cost of furniture for the proposed dispensary at Kumsi. The Deputy Commissioner is requested to report whether the current year's provision has not been or is not likely to be utilized before the end of the year, and why the provision is repeated in the ensuing Budget.

10. A sum of Rs. 620 is entered on account of Malnad allowance to Hospital Assistants in charge of some of the Local Fund Dispensaries, while under Proceedings of Government, dated 6th December 1889 No. 7180-90—164, Rs. * 1,040 has to be entered instead, on account of charge allowance to all the Hospital Assistants in charge of Local Fund Dispensaries. The latter figure will be inserted in the Budget on account of charge allowance; Malnad allowance, which is merged in the former, being struck out altogether.

11. The other items of charges call for no remarks.

12. In future, the actuals of the year preceding that in which the Budget is submitted should be stated and any difference between the same and the estimate explained.

13. Subject to the explanations called for in paras 2, 3, 9 and 12, the estimated receipts and expenditure sanctioned for 1890—91 are as follows :—

		Rs.
I	District Office Establishment ...	240
II	½ share of Taluk contingencies ...	...

14. Out of the above balance the following works are proposed to be executed through the Public Works Department during the year 1890—91.

		Rs.
	I. *Original.*	
(*a*)	Buildings	1,000

IV.	Establishment	14,000
	Total.....	77,800

16. As regards the provision of Rs. 1,000 made for the English and Kanarese School houses at Tirthahalli, the Government observe that the maintenance of Taluk Vernacular Schools has recently been transferred to the Provincial Funds and that the cost of constructing school houses cannot properly be debited to District Funds and the amount of Rs. 1,000 provided for will therefore be struck out. The Government have no objection to the other provisions made under I and II for works. The Deputy Commissioner is requested to state, after placing himself in communication with the Executive Engineer if necessary, how and on what authority item IV has been calculated. The establishment charges as now calculated bear the high percentage of 22·4 on works proposed to be carried out through the Public Works Department.

3. Docket from the Deputy Commissioner, Shimoga District, dated 31st March 1890, No. 795—741, furnishing explanation regarding the District Fund Budget Estimates of the Shimoga District for 1890—91.

No. 2904-13—CIR. 48, DATED 29TH JUNE 1890.

ORDER THEREON.—The figure (Rs. 1,05,000) entered in para 2 of the Proceedings read above as the estimated receipts for 1889—90, has been taken from page 7 of the final issue of the Public Works Department Budget for that year; but the Deputy Commissioner states that the estimate for the year was only Rs. 83,449. The Government do not understand how the figure in the Public Works Department Budget was entered. The Comptroller is requested to explain the matter and to state the actual receipts of the year under several heads. Meanwhile, the estimate of Rs. 83,949 under receipts for 1890—91 will stand.

Para 1 of Deputy Commissioner's letter, dated 27th March 1890

2. It is stated that the assets in the Local Fund Budget cannot correspond with the figures entered under Land Revenue in the Civil Budget, because the District Fund assets are based upon the Jamabandi for 1888—89 in accordance with Form W, Part II, appended to the subsidiary rules framed under Notification No. 110, dated 4th July 1874, while the figures in the Civil Budget are based upon the actuals of the previous year. The Government observe that according to the form above referred to, the estimate is to be based not upon the Jamabandi of the *previous* year, but upon the *estimated* Jamabandi of the year to which the Budget relates. The collections must be the same as the Jamabandi as any arrears at the end of the year will ordinarily be balanced by the arrears at the beginning of the year. The Deputy Commissioner is therefore requested in future to frame his estimate upon the estimated Jamabandi of the year to which the Budget relates. The manner in which the assets have been calculated and the cause of any difference between the estimate of assets and the figures given in the Civil Budget should be clearly explained.

Para 2 of Do

3. The balance at the beginning and end of the year and the receipts stated to have been given in the Budget already submitted, relates to District Funds and not to the Local Funds General. The information which the Deputy Commissioner was requested to furnish relates to Local Funds General. The Deputy Commissioner will not of course be able to give the balance at the beginning and end of the year, as the accounts are kept for the whole Province, but he can submit an estimate of receipts and expenditure, which he is requested to do.

Paras 4 and 5 of Do

4. As recommended by the Deputy Commissioner, a sum of Rs. 400 under reserve and that of Rs. *678 on account of the marginally noted charges of the Local Fund Dispensary at Benkipur sanctioned in Government Proceedings, dated 26th January 1890, No. 8411-3—107, will be provided in the Budget for 1890—91.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Financial),—dated 29th June 1890.

5. The Deputy Commissioner now states that the provision for Medical scholarships that ought to be made for the current year is Rs. 651 and not Rs. 660 as stated in para 6 of the Proceedings read above. The Government observe that the Deputy Commissioner calculates fees and travelling allowance for 26 students only, while for the current year there are 29 College students, to whom the allowance has to be granted. The estimate of Rs. 660 already sanctioned is therefore correct and requires no alteration.

Para 6 of Do.

6. In regard to the establishment charges, the Government await the explanation, the Chief Engineer has been requested to furnish in para 14 of Government Proceedings, dated 12th March 1890, No. 9360-72—219.

GENERAL.

Proceedings of the Government of His Highness the Maharaja of Mysore, (General),—dated 7th June 1890.

READ THE FOLLOWING PAPERS :—

Letter No. 704—653 of the 22nd February 1890, from the Deputy Commissioner of the Shimoga District, stating that the term of employment of the District Surveyor sanctioned in Dewan's Proceedings No. 3664-6—48 of the 14th August 1888 for his District having expired on the 31st October 1889, the Comptroller has objected to his retention from 1st November without Government sanction, and requesting that in consideration of the large amount of sub-dividing work still to be done in the Malnad Taluks, sanction may be accorded to the retention of the District Surveyor for a further period of two years from 1st November 1889.

Also reminder No. 47—45, dated 29th April 1890.

No. 2054-62—CIR. 34, DATED, BANGALORE, 7TH JUNE 1890.

ORDER THEREON.—Under the circumstances represented in the above, the retention of the District Surveyor for a further period of 2 years from 1st November 1889 is sanctioned.

2. Deputy Commissioners should get full work from the District Surveyors as in the Survey Department. This could best be done by requiring each Surveyor to keep a diary showing the progress of work done each day and to submit the same to the Deputy Commissioner once a week. The diaries should be received by the Deputy Commissioner or one of his Assistants.

T. ANANDA RAO,
Chief Secretary.

To—The Deputy Commissioner of Shimoga.
The Comptroller.
The Deputy Commissioners of other Districts for information.

READ—

Proceedings dated 31st January and 27th June 1881 and 10th February 1885, Nos. 6370-7—352, 2607—140 and 6346-54—136 respectively, regarding the imposition of tax on carts of agriculturists within Municipal towns.

READ ALSO THE FOLLOWING LETTER—

From the Deputy Commissioner, Chitaldroog District, dated 7th February 1890, No. 445—409.

When, on the morning of the 21st ultimo, the Dewans wa leaving Harihar for Davangere, the people of Harihar prayed that the tax on what are called "Halu Bhandis" might be remited. The Dewan was pleased to desire me to note the pont and make a report thereon. I therefore submit the following report :—

2. These "Halu Bhandis" are only used for purposes of conveying the cut crops from fields to thrashing floor and they are therefore made large enough to hold a great load. Generally 3 or 4 pairs of bullocks are yoked to them.

3. In villages they are not taxed, as carts of raiyats are exempted from the tax.

4. In Municipalities all carts whether of raiyats or not are taxed. Therefore the Halu Bhandis in Harihar, which is a Municipal town, are taxed. There are 16 such Bhandis there and the tax on them amounts to 32 rupees. The Members of the Municipal Board are in favor of the exemption prayed for on the ground that these Bhandis are not used all round the year, but only in the harvest season.

5. If exemption is granted in the case of Harihar, similar prayers may emanate from other Municipalities. There may be about 50 or 60 Bhandis in all the 9 Municipalities in this District.

No. 2945—59, DATED BANGALORE, 14TH JUNE 1890.

ORDER THEREON.—Under the circumstances stated in the Deputy Commissioner's letter read above, the Government are pleased to sanction the exemption from cart-tax of "Halu Bhandis" which are used solely for purposes of conveying the cut crops from fields, in all the Municipalities of the Chitaldroog District with effect from 1st April 1890.

T. ANANDA RAO,
Chief Secretary.

To—The Deputy Commissioner of Chitaldroog.

DECISIONS OF GOVERNMENT IN REVENUE CASES.

JUNE 1890.

Proceedings			Subject and Order.
No.	Date.	To whom sent.	
1	1926—97.	3rd The Deputy Commissioner of the Kolar District.	Appeal No. 1725 of 2nd November 1889. Appellant. Banamma of Harohalli, Kolar Taluk. This is an appeal against the order of the Deputy Commissioner, dated 11th April 1889 refusing to register a certain land in the name of the Appellant. Appellant who was the pattadar was induced, by one Ramanna Setti, to nominally transfer the patta to him. The civil suit filed subsequently by Ramanna Setti against Appellant to recover possession of the land was dismissed as the alleged gift was not proved and the possession remained with Appellant herself. Under these circumstances, it was held that there was no objection to the retransfer of patta in Appellant's name and that it was unnecessary to compel her to bring a fresh suit for the registry of the land in her name. The Deputy Commissioner was accordingly directed to retransfer the patta to Appellant's name.
2	2031—78.	4th The Deputy Commissioner of the Tumkur District.	Appeal No. 1547 of 28th September 1888. Appellants. *Vs.* Respondents. 1. Gopalaiya. 2. Venkatagiriyappa. 3. Venkatanarasappa. 4. Venkappa. 1. Dodda Venkatanarasappa. 2. Venkatarayappa. (Original Defendants.) (Original Plaintiffs.) This is an appeal against the order of the Deputy Commissioner, Tumkur District, passed in 1888.

Serial No.	Proceedings. No.	Proceedings. Date.	Proceedings. To whom sent.	Subject and Order.

2. The dispute relates to the office of Shanbhog of the villages of Kadakutur and Nagenhalli in Maddagiri Taluk, Tumkur District. Appellants and Respondents are of one and the same family and are related to each other.

3. The family has right to the office of Shanbhog in the villages of—

2. Nagenhalli	...	} „ 105—0—0

the Potigi allowance drawn in each village being as shown opposite the names of the villages.

4. In 1886 1st and 2nd Respondents brought a suit claiming the registry of the villages Nos 2 and 3 in their names, but the Deputy Commissioner dismissed it on the ground that the suit was barred by the Law of Limitation in as-much as it was not brought within two years from 1882, when the Deputy Commissioner confirmed the registry in the name of the 1st Appellant.

5. The 1st and 2nd Respondents appealed to Government which decided that the case was not barred by the Law of Limitation. The Government also observed that the enjoyment of the right to the office appears to have been regulated by the possession of the office for a term by each branch, and that Mr. Holdsworth was wrong in having transferred the registry to the 1st Appellant without enquiring into the claims of the several individuals. Mr. Holdsworth's order was accordingly set aside, and the Deputy Commissioner was directed to pass a decision *de novo* with due reference to the claims of the several parties.

6. The Deputy Commissioner upon this ordered in 1888 that village No. 1 be registered in the name of the 1st Respondent and Nos. 2 and 3 in the name of the 2nd Respondent. It is not stated why he passed any orders in regard to the village No. 1 which did not form the subject of the suit.

7. The present appeal is against this order.

8. At the hearing the parties admitted that the 1st, 2nd and 4th Appellants were together entitled to $\frac{1}{4}$ share, 3rd Appellant to $\frac{1}{4}$ share, 1st

Serial No.	Proceedings. No.	Date.	To whom sent.	Subject and Order.
				Respondent to ¼ share and 2nd Respondent to ¼ share. It is also clear from the accounts, of which the Deputy Commissioner has forwarded an abstract, that the office was held by the various members of the family at different times—in some years by the Appellant's family and in some years by the family of the Respondents. There does not however appear to have been any regular system of rotation, and the person who possessed the greatest influence appears to have performed the duties. 9. Under these circumstances, the Government directed that the two villages Nos. 2 and 3, which form the subject of the suit, be registered in the names of the Appellants and Respondents as shown below:— 1st, 2nd and 4th Appellants .. 1 share. 3rd Appellant .. .. 1 share. 1st Respondent .. .. 1 share. 2nd do .. .. 1 share. As all the sharers however cannot be allowed to perform the duties of the office jointly, the Appellants who represent one branch of the family should be allowed to select two of them to do the duties of the villages Nos. 2 and 3 for a period of 5 years, at the end of which the 1st and 2nd Respondents, who are the members of the second branch, will be allowed to do duties for a similar period. This arrangement appears to be equitable, as the 1st and 2nd Respondents have during the last 5 years performed the duties in these two villages.
3	2036—99.	4th	The Deputy Commissioner of the Bangalore District.	Appeal Nos 2942 and 1800 of 16th December 1886 and 25th October 1888 respectively. Appellant. Hagalavadi Ramanna of Kudur, Magadi Taluk, Bangalore District. Petitioner complained that a certain tract of land, (63 acres) which contained many valuable trees, was given away on darkhast to one Singri Gauda at a very low rate of assessment, *i. e.*, 4 annas an acre, and without any payment for the value of the trees, notwithstanding that Petitioner offered to pay Rs. 1,000 for the trees and a much higher assessment.

Serial No.	Proceedings. No.	Date	To whom sent.	Subject and Order.
				2. It was remarked that the proceedings showed that there was great laxity in the disposal of darkhasts, and as Petitioner did not apply for the land before it was granted to Singri Gauda, on the assessment already fixed by the Survey Department, which cannot be now altered, it was held that Petitioner had no grievance, and his petition was accordingly rejected. 3. There was a misrepresentation in regard to the number of trees which stood on the land. In the darkhast statement dated 21st October 1883, it was stated that there were only 150 date trees on the land, in the muchalikas taken from Singri Gauda on the 25th March 1885 and 14th January 1886, it was stated there were 150 date trees, 60 jali trees, and 90 toppubelu trees; and the present enquiries showed that there were 400 toppubelu trees. 300 karijah trees and a very large number of date trees impossible to count, all of which Singri Gauda bound himself to preserve, the reservation being secured by the muchalikas aforementioned. 4. The Government do not think there is much advantage in continuing the reservation. It is always difficult to watch the trees standing on lands possessed by private individuals and as it is the policy of the Revenue Code and Survey Rules to make over to the owners of lands the right to trees standing thereon, excepting sandal trees, the Deputy Commissioner was requested to arrange for the levy of a reasonable price from Singri Gauda and to make over the trees to him.
4	2139—105.	6th	The Deputy Commissioner of the Kolar District.	Appeal No. 1683 of 1st November 1889. Appellant. *Vs.* Respondent. Venkategauda of Archalli, Mulbagal Taluk. — Ranganna. This is an appeal against the order of the Superintendent of Revenue Survey, dated 24th January 1888. Appellant complained that two trees (1 Mango and 1 Javi) standing on his field No. 63 were during Survey Settlement unjustly made over to Respondent, the occupant of the neighbouring field No. 2. The Amildar reported that the trees belonged to No. 63 as they were within

			the boundary line of that number; but the Survey Superintendent refused to disturb the Settlement on the ground that the trees stood on the boundary line. As the Survey Superintendent's order was apparently not consistent with the Amildar's report, the Deputy Commissioner was requested to make a local inspection and report (I) whether the trees in question stand within or on the boundary line, (II) who had possession and enjoyment of the trees prior to Survey Settlement, and (III) whether Respondent was made to pay the value of the trees. ———
5 2154—175.	10th	The Deputy Commissioner of the Mysore District.	Appeal Nos. 507 and 1601 of 14th January and 17th September 1889 respectively. Appellant. Channabasavaiya of Sovadenahalli, Mandya Taluk, Mysore District. This is an appeal against the order of the Deputy Commissioner of Mysore District, dated 17th May 1889, confirming the order of the Jamabandi Officer, who fined the Appellant in a sum of Rs. 4 for having unauthorizedly cultivated Kharab land (2 acres 39 guntas) included in Survey No. 10. Appellant's contention was that the land in question had always been in his khate, and that he did not cultivate any kharab land. The Amildar's report submitted to this Office in 17th January last shows that old number of Survey No. 10 was 42, and that the plot now cultivated by Petitioner was included in the khate of his brother. This fact however was not noticed in the Takrar Patti on which the Jamabandi Officer passed his order. The case was remanded to the Deputy Commissioner for further enquiry and disposal by endorsement, with the remark that if it was a fact that the portion cultivated by the Appellant in Survey No. 10 was formerly in his khate, the fine imposed on him should be remitted and the land entered in his khate after making the necessary sub-division.

6	2155—109.	10th	The Deputy Commissioner of the Kolar District.	Appeal No. 1684 of 28th October 1889. Petitioner and Appellant. Kadirappa. Jodidar of Gidibidi Jangamanahalli, Bowringpet Taluk. This is an appeal against the order of the Deputy Commissioner, Kolar District, dated 24th July 1889. Petitioner is a mortgagee of the Inam village of Gidibidi Jangamanahalli which was resumed in 1869—70 for default on the part of the Inamdar to appear before the Inam Commissioner. The lands of the village remained waste till 1881—82 and from 1882—83 to 1888—89 they were sold for grass rents as shown in the margin. In September 1888, Petitioner claimed the lands on full assessment, but the Deputy Commissioner ordered them to be sold and given to the highest bidder. This order is dated 24th July 1889 against which Petitioner appeals. Rs. 1882—83 .. 1 0 0 1883—84 . 1 0 0 1884—85 . 1 0 0 1885—86 .. 10 0 0 1886—87 .. 2 0 0 1887—88 .. 2 0 0 1888—89 ... 6 0 0 Petitioner now requests that the Inam may be restored, or that the lands may be given to him on full assessment without being sold, as laid down in Government Proceedings, dated 8th September 1881, No. 4876-93—135. The Deputy Commissioner reports, in his docket dated 16th February 1890, that the order for the sale of the lands has been kept in abeyance, and that the lands having been already classified by the Survey Department, the rates of assessment may be fixed by that Department. It was decided that Petitioner's request to have the lands on Inam tenure was inadmissible; that as the lands are not held by raiyats they may be given either to the original inamdars should they come forward and claim the lands, or to the Petitioner as mortgagee on full assessment fixed by the Survey Department as laid down in Government Proceedings, dated 8th September 1881, No. 4876-93—135.
